ALL THE BOYS ARE HAPPY	
A telegram received by the Bonanza dated at Reno reads as follows: "Arrived safe. Every one happy. Many thanks for kindness extended at the depot. Tonopah Liberty Boys." The boys left Reno last night for Sacramento, where they will be switched off to Los Angeles on their way to Tucson.	
A second message dated at Sacramento at 9:40 this morning reads: "Having good time at Sacramento. Everyone happy. Thank Elks for kits. Liberty Boys."	

COMFORT KITS READY	
Contrary to reports the recruits going out to Tucson were supplied with comfort kits by the Red Cross which is able to take care of all the boys who leave. Mrs. McQuillan states that the order has fifty kits ready so there is no danger of shortage.	

BUTTE STREET CAR MEN WILL WEAR OVERALLS	
BUTTE, Mont., June 25.—As a conservation measure the local street carmen's union announced that in the future its members will appear on duty attired in overalls and jumpers in the place of the regulation uniform. "A war necessity; cut down expenses," was the explanation.	

THREE CHILDREN SICK	
A letter from Sacramento states that the three Brissell children, who went down to the coast with their mother, are in a hospital where two were operated on for adenoids and tonsillitis, and the third is under treatment for an injury to the skull.	

ALBERT PROSSER IMPROVING	
Albert Prosser, the aged prospector from Belmont, who has been at the county hospital suffering from carcinoma, is reported improving.	

I loan you a watch to carry while I repair your own. I am the finest watchmaker who ever came to Tonopah. Emilie Nerman at Robert's Grocery store.

DR. CUNNINGHAM CAPTAIN U. S. A.	
Dr. J. R. Cunningham is now a captain in the United States army, attached to the medical reserve corps and subject to call at any moment. His commission arrived this morning and occasioned some surprise as the doctor did not expect anything higher than the rank of first lieutenant.	
Dr. Cunningham is a graduate of Rush medical college, Chicago, one of the oldest and best schools of medicine in the country and one from which some of the best practitioners of the middle west recognize as their alma mater. He also graduated from the Chicago college of pharmacy.	
The doctor was born in Fulton county, New York, but at an early age went to Portage, Wis., where he remained for years. Three years of that time was spent in the Wisconsin national guard. Coming to Tonopah thirteen years ago Dr. Cunningham built up a large family practice and for four years served as county physician, from 1907 to 1911. He is a member of the Tonopah lodge of Elks and also a fourth degree member of the Knights of Columbus, Tonopah Assembly.	
The fact that the commission arrived seven days after the notification is taken as a suggestion that the medical branch of the army is in urgent need of experienced recruits. The captain will take the oath of office this afternoon before Judge Averill and then he will become subject to call for active service, fifteen days after receipt of notice.	

WALTER LAMB WANTS TO WEAR A TOGA	
Walter C. Lamb, prominent mine operator, is an avowed candidate for the Republican nomination for United States senator. Mr. Lamb has not said anything in an official way in this quarter, but the story comes from Reno that he had advised his friends that he is out for the position. The candidate has been identified with mining interests throughout southern Nevada for a great many years and previous to coming here was a resident of Reno. Mr. Walter Lamb is a good mixer, a successful business man and one who has numerous friends throughout the state.	

WEST END MAKES IMPORTANT CHANGES	
The West End is preparing for an intensive campaign by which all ore will be taken out through the main shaft near Brougher avenue. This will include ore from the California claim that is now hoisted through the Ohio shaft. The company has built an electric locomotive which will be in operation within the next sixty days for the purpose of hauling ore from the California and Rambler claims through a long crosscut on the 800-foot level, which will be completed in the course of thirty days as there is a distance of only 200 feet to go. The only change on top will be the addition of a couple of new pockets for receiving ore at the main shaft.	

HOME SERVICE BUREAU NOW IN OPERATION	
The home service department of the Red Cross is now in operation with headquarters in the Masonic building where members of the families of soldiers and sailors are invited to call any day between 3 and 4 o'clock in the afternoon if they have any troubles to adjust.	
This department aims to take the place, as nearly as may be, of the absent head of the family or of life-long and intimate friends. If financial difficulties arise, home service stands ready to hold out a helping hand. If there is sickness or if difficulties come in regard to the management of property, the home service will see that the best professional advice is placed at the disposal of those who have given so much to their country. Aid in securing remunerative employment for those desiring it is not the least of this department's activities. In fact, there is no problem that can come to a soldier's family that home service does not stand ready to help solve in the best possible way. All they ask is a chance to help.	
The chairman for this department for Nye county is Mrs. Thomas Lindsay and the secretary is Mrs. Ralph Burdick. The Tonopah Masons have generously given them office room near the upstairs entrance to the Masonic building where they may be found every day except Sundays between three and four o'clock in the afternoon.	

MONSTER PAGEANT WILL BE STAGED IN TONOPAH ON FOURTH OF JULY

Tonopah is going to have a monster demonstration on the Fourth of July which occurs this year next Thursday. The plans have been under careful preparation for over a month but, owing to the pressure of the war savings stamp campaign the publicity has been overlooked. The details will follow closely the plans outlined by the war department and recommended by the National Council of Defense. In the morning the patriotic exercises will take place on Main street where addresses will be delivered and the Declaration of Independence read. This program will be interspersed with vocal and instrumental music. In the afternoon the young folks of the camp will be entertained with games and small sports.

Thos. E. Kepner is Found Dead in Office

Thomas E. Kepner, well-known Reno attorney and candidate for the Republican nomination for attorney general, shot and killed himself in his office, room 203, I. O. O. F. building, at 9:50 yesterday morning.

The bullet from a 38 Colt's automatic revolver entered his heart and passed out through his back imbedding itself in the wall where it was found. Mr. Kepner was sitting in a chair at his desk when the shooting occurred and was found in the chair at 10 o'clock by Judge C. H. Burritt, who called at the office on some business matters. The shot was heard in the building at 9:40, says the Reno Gazette.

The pistol was lying on the floor six feet from his chair in front of him. The magazine of the gun was lying on the desk with two cleaning rags.

One shell, apparently the shell that was in the pistol when the shot was fired, was found on a couch to the left of where he was sitting, indicating that when the magazine was taken out of the pistol one shell was left in the barrel, and this shell was ejected when the shot was fired. The pistol was at half cock when found.

Some papers concerning some suits which Mr. Kepner was interested were lying on the desk near the magazine of the revolver and a sealed letter, apparently written just before the shooting to his father, Geo. W. Kepner, of Dover, Minn., was in an envelope on the desk. The letter read as follows:

"Dear Father:—I wrote you about a week ago, and will write a few lines this morning, before taking up the affairs of the day. I think we have four of the dearest children in all the world, and I am sure I have the best wife that ever blessed a man's existence. I have managed during the past five years to put aside a few dollars from time to time. I am going to go out and dig it up, as a part of it in discharging a certain obligation, and put the rest in government bonds and war saving stamps. This is the only secret I have from my wife, and I have thought to use it at some time for the purpose of buying a home; but I guess now the better way to invest it as above indicated, and when the time comes we can use the bonds on a cash basis. My business is looking good. I have just won a case at Yerlington, and this afternoon, or within a few days, expect to be retained in a large matter involving some half million dollars. I am a candidate for the office of attorney general of Nevada—the prospects of securing the nomination seem good, and if nominated I feel quite confident that I will be elected. So, I sincerely hope you will make arrangements to come out and make us a long visit in October. Mae will be very glad to have you come, and if Weaver does not keep you busy the girls will. Affectionately,

"TOM."

WANTS IT BACK

Senator Nixon during his life gave to the city of Winnemucca a \$40,000 opera house, the trustees were appointed and the house was supposed to belong to the people of Winnemucca. Now Mrs. Nixon wants the holdings returned and has sued the trustees for the property, claiming that the deed is void as no consideration was named therein. It looks like a string was attached thereto.—Carson News.

RAILROAD TRACKS PRIVATE PROPERTY; PARENTS WARNED

The right of way of the Tonopah & Goldfield railroad has become one of the most popular routes to the swimming pool in spite of the warnings posted on the right of way cautioning the public from trespassing. The railroad management desires to call attention to the possibility of an accident occurring as most of the children are very young.

WOMAN DENIED DAMAGE DEMAND

After deliberating since late yesterday afternoon without reaching a verdict the jury in the case of Miss E. M. Kemlein against Louis Marymont, Abe Kohane and the Unique Store company was discharged, says the Reno Gazette. A. J. Caton, foreman of the jury, told District Judge Bartlett that the jury was hopelessly divided and stood no nearer an agreement than when the deliberations first were started. At the outset the jury stood seven to five for the plaintiff, but the final ballot showed an equal division.

The case was reset for trial before a jury beginning July 15. Judge Bartlett announced that he would draw a new venire of sixty names out of which to secure a jury to try the case the second time.

Miss Kemlein sued the defendants for \$10,000 damages she alleges she suffered as a result of being arrested on a charge of attempting to leave the state with intent to defraud them. The case occupied seven days.

MANY MOURN HER PASSING

She attended the Inyo academy here. Some sixteen years ago Bishop became the family home. Two years later she was married to Archie M. Strong. Several years ago they moved to Los Angeles, which city has been Mr. Strong's location since—Inyo Register.

TENDER YEARS DID NOT HURT HIS PATRIOTISM

STOCKTON, Cal., June 29.—Harvey Greer, 19 years of age and a native of Tennessee, is the kind of a conscientious objector that the country is proud of.

"I want to enlist," he told Sergeant R. R. Mergenthal, of the local U. S. marine corps recruiting station. "You're mighty young," replied Mergenthal, "why do you want to enlist?"

"Because my conscience hurts me," replied young Greer. "I'm afraid the war might be over before I am twenty-one. Then the boys would come home and ask me why I hadn't been in it and I object conscientiously to having no excuse to offer."

Greer's name was soon affixed to the dotted line.

AMUSEMENTS

AT THE BUTLER

Some of the unusual scenes in the Metro picture, "The Brass Check," co-starring Francis X. Bushman and Beverly Bayne, which will be one of the attractions at the Butler this evening, take place in a lunatic asylum. For this picturization of George Allan England's "All Story Weekly" story, a most complete lunatic asylum was built at the Metro studio. Bushman, as Richard Trevor, has most extraordinary experiences at the asylum. He happens to be near the institution at the time that an inmate of another asylum has escaped and is seized by the guards as the escaped man. Richard gives fight but is overcome and dragged into the asylum. There he is locked in a padded cell. Across the way, from another padded cell glares an inmate who thinks that he is the kaiser and has dressed himself up grotesquely to aid his illusions. He hails Richard as Uncle Sam with his beard shaved off. The attendant looks pityingly at him, considering him a hopeless case. How Richard manages to straighten matters out is revealed in a manner that will amuse you.

In addition to the feature, a two-reel Sunshine comedy, "Roaring Lions and Wedding Bells," will be shown.

Tomorrow, Alice Brady, in "Betsy Ross," and Wm. Duncan and Carol Holloway, in "Vengeance and the Woman."

Of course it is all right for President Wilson to say that we will stand by Russia—but where in the deuce is Russia standing?

NOTICE OF DIVIDEND

Transfer books will close at noon June 25, 1918, and open at 10:00 a. m. July 5, 1918.
